Phased Approach towards a World-class University

分阶段建成综合性研究型世界级学府

Phase 1 第一期阶段 (2013-2018)

To offer a number of master degree programs, a non-degree undergraduate semester program, and research centers. On-campus students up to 700.
逐步开设若干硕士研究生学位教育项目，以及非学历学位的本科学期项目，在校生人数不超过700人

Phase 2 第二期阶段 (2018-2022)

To offer more graduate and professional degree programs (including PhD programs if conditions are met) and research centers; to gradually offer undergraduate degree programs in arts & humanities, social sciences and natural & applied sciences. On-campus students up to 2,000.
开设更多研究生学位项目和专业学位项目（条件允许时包括博士学位项目）及研究中心，逐步开设人文、社会和自然科学以及艺术领域的本科学位教育项目，在校生人数不超过2000人

Phase 3 第三期阶段 (2022-2026)

To establish a complete education and research system with undergraduate, master and doctoral degree programs; to basically realize the strategic goal of building a world-class university. On-campus students up to 3,500.
构建起完整的本科、硕士、博士学科专业教育体系和科学研究平台体系，基本实现建立一所具有世界级教育和研究水平的综合性大学的战略目标，在校生人数不超过3500人
